

# Town Hall Meeting

On behalf of the Ridley Park Police Department and the Ridley Park Borough Council; you are cordially invited to a collaborative Town Hall Meeting at Ridley Park Middle School on February 27th at 6:15

Nationally renowned impact speaker and author, Deborah Delp, will be the main presenter. Her powerful program is focused on drugs in our communities.

We strongly encourage the participation and attendance of our surrounding communities as we all share in the struggle and high costs of drug addiction.
